

Dear Hot Spring County and Poyen School Districts,

The Malvern Brickfest has a community volunteer scholarship award. We are sending this letter along with a scholarship application and scholarship eligibility requirements to each school in the Hot Spring County area and the Poyen School District. We want you to encourage your seniors to take advantage of this program.

We the Malvern Brickfest will select one female senior student and one male senior student from the Hot Spring County School Districts and Poyen School District. Each recipient will be selected based on their written essay of 250 words or less discussing why the individual should be selected and how they give back to their community through volunteering. We have \$1,500.00 to split among our winners.

The purpose of this scholarship is rewarding students that excel in volunteering and giving back to their community. In turn our focus is to give a scholarship to Hot Spring County students, so our festival can give back to the local market who's sponsored us.

The winner of this scholarship can use this award to go to any college in the state of Arkansas.

These applications need to be turned back into the Brickfest committee no later than April 17thst, 2023. We need the application filled out with 250 words or less essay. Please note that a parent or guardian must sign off on this form as well as a guidance counselor or officer. It is essential that the following criteria listed on the application are filled out correctly. This must be strictly enforced since these are minors.

Please feel free to make copies of the application and requirements so that all student may have a chance to apply to this scholarship.

Please return the Application and Essay and a copy of the grade point to:
